President's Message **September Fajita Fly In**

President's Message

What a Fly – In The weather was perfect, the crowd was big and the food was great! Seventy two (72) planes found their way to Lufkin. They started arriving before 9:30 AM. As always, several returnees flew-in plus some interesting newcomers. A terrific T-28 from Longview was present as well as several vintage craft.

Our newest EAA member Bertrand (RENO) Jatton came with his Varieze and provided

two young Eagle introductory flights. Thanks to Reno and his ground crew. Pilot Reno, the crew of son Lokota and spouse Cleo made the ground operation and passenger change look easy. Lokota provide the step ladder for the passenger. Cleo provided for safety as Reno did hand engine prop starts. Cleo then provided the muscle to help lift the nose so that Reno could extend the nose gear and jump into the front seat to be pilot in command. What a great operation!

TO our members who don't come to our events – you are really missing some great times and aircraft to see. You should make a special effort to come to the fly-in next month.

Many thanks to all our members who helped make it successful.

During the fly-in we had the raffle drawing. Linda will have the details in her report.

Our safety meeting is tomorrow, October 16, 2007 Tuesday night (3rd Tuesday) at 7:00pm in the Lufkin Airport lounge. John Hammons is the speaker and his

topic will be Airspace Review and FAR 91.

Don't forget our regular meeting this Saturday (20th) at the airport.

Lots of stuff on the agenda including but not limited to: Christmas Party (date and location)
Gaston's Trip
Flyin' M 10/26-10/28

The November safety meeting will be Tuesday , November 20, 2007. Mark your calendars! See you there!
